Important Information and Risk Factors

Sources: All data is source Baillie Gifford & Co unless otherwise stated. Attribution is reported on a relative basis and source StatPro. Performance is source Morningstar, total return.

As with any investment, your clients' capital is at risk. Past performance is not a guide to future returns. The Trust's risk could be increased by its investment in unlisted investments. These assets may be more difficult to buy or sell, so changes in their prices may be greater.

This is a marketing communication and should not be considered as advice or a recommendation to buy, sell or hold a particular investment. This document contains information on investments which does not constitute independent investment research.

Accordingly, it is not subject to the protections afforded to independent research and Baillie Gifford and its staff may have dealt in the investments concerned. Investment markets and conditions can change rapidly and as such the views expressed should not be taken as statements of fact nor should reliance be placed on these views when making investment decisions.

Scottish Mortgage Investment Trust PLC is a listed UK company and is not authorised or regulated by the Financial Conduct Authority. Baillie Gifford & Co Limited is authorised and regulated by the Financial Conduct Authority.
